

2010 Sanctity of Human Life Sunday

“We believe that human life is created by God in His image. It is of inestimable worth and significance in all its dimensions including the preborn, the aged, the mentally disabled, those deemed unattractive, the physically challenged, and every other condition in which humanness is expressed from the single cells stage of development to natural death. Christians are therefore called to defend, protect, and value all human life.” ~Focus on the Family’s Fourth Guiding Principle

“So God created man in His own image; in the image of God He created him; male and female He created them.” Genesis 1:27

*Please wear this ribbon the week of January 24 in memory
... of a baby that died this past year
as a result of abortion.*

Did you know...at 22 days after conception, a baby's heart is beating?

In America, abortion stops a beating heart

- 1.2 million times each year
- approximately every 25 seconds

In Tennessee, in 2007, abortion stopped 14,789 beating hearts

In Dyer County, in 2007, abortion stopped 55 beating hearts

In 1983, President Reagan issued a proclamation establishing a National Sanctity of Human Life Sunday (SOHLS) as a day to celebrate the intrinsic value of all human life. Since then, Americans have observed SOHLS on the Sunday that falls closest to the day on which the Roe v Wade and Doe v. Bolton decisions were handed down by the U.S. Supreme Court, January 22, 1973, which legalized abortion in all nine months of pregnancy. Since 1973, over 50 million American lives have been lost.
